How My Library Supports Inquiry (Actual)

This voluntary survey contains 28 statements about the library. You will be asked how often each practice takes place. Please decide if they happen ‘Almost Always’, ‘Sometimes’, ‘Almost Never’ by marking the best answer. Your choices include:

③ = Almost Always, ② = Sometimes, and ① = Almost Never

There are no ‘right’ or ‘wrong’ answers. We want to know how you feel about each statement.

- First, read the sentence. Don’t worry if some of the sentences sound the same.
- Next, think about how you feel right now and mark the best choice.
- Then read the next sentence and so on for each sentence.

For example, if you think this occurs ‘sometimes’, choose your answer as shown:

<table>
<thead>
<tr>
<th>③</th>
<th>②</th>
<th>①</th>
</tr>
</thead>
</table>
